

2009 MedDRA User Group Meeting and MedDRA EU Informal User Group Meeting In Berlin, Germany

Dear MedDRA Subscriber:

This is a reminder for the upcoming MedDRA User Group Meeting and MedDRA EU Informal User Group Meeting to be held in Berlin, Germany on 26 March 2009.

Registration closes on 5 March 2009 (or when maximum room capacity has been reached). To register for one or both meetings, please visit the MSSO Web site: <http://www.meddramssso.com/MSSOWeb/activities/usrmtg.htm>.

The agenda for the MedDRA User Group (morning) meeting includes the following topics:

- MedDRA 12.0 updates
- MedDRA Versioning
- Product Quality terms
- MedDRA browser demonstrations
- Question and answer session.

The agenda for the MedDRA EU Informal User Group (afternoon) meeting includes the following topics:

- Discussion of a planned Blue Ribbon Panel meeting on MedDRA versioning
- Presentation on interdisciplinary coding approach both organizationally and in process
- Presentation on company-specific concepts for aggregation of MedDRA-coded data
- Presentation on the impact of using SMQs on data that was converted to MedDRA via mapping tables.

We look forward to seeing you in Berlin,

MedDRA MSSO
