

MedDRA MSSO 2009 Subscription Rates

Dear MedDRA Subscriber,

The MedDRA Management Board has approved the MSSO's proposed subscription rates for 2009. For 2009, all subscription levels will be reduced 5% from the 2008 rates.

The table below provides the complete MedDRA subscription rates for 2009.

Subscription Levels	2009
Basic	\$0
Core 0 (Annual Revenue/Turnover \$0M - < \$1 Million)	\$190
Core 1 (Annual Revenue/Turnover \$1M - < \$10 Million)	\$804
Core 2 (Annual Revenue/Turnover \$10M - < \$500 Million)	\$5,529
Core 3 (Annual Revenue/Turnover \$500M - < \$1 Billion)	\$11,600
Core 4 (Annual Revenue/Turnover greater than \$1 Billion - < \$5 Billion)	\$47,600
Core 5 (Annual Revenue/Turnover greater than \$5 Billion)	\$62,850
Developer	\$2,990

The new subscription rates are effective as of 1 January 2009. Any outstanding subscription renewals from year 2008 should be paid based on the invoiced amount. All new subscription requests will be quoted with the 2009 rates.

The subscription rate reductions will have no impact to the MSSO services. All MSSO services (e.g., change request processing, User Groups, Blue Ribbon Panels, Help Desk, twice yearly releases) will continue as before. The MSSO believes these services are vital to the continued growth and support of MedDRA.

Please feel free to contact the MSSO Help Desk (mssohelp@ngc.com) if you have any questions.

Sincerely,

The MSSO
