

Some Challenging Verbatim Terms – Celebrate the 10th Anniversary of MedDRA

Dear MedDRA Subscribers:

The MSSO invites you to have a look at some “challenging” verbatim terms that the MSSO has seen over the years (<http://www.meddramsso.com/MSSOWeb/anniv.htm>; click on the link for February). We think you’ll find them very interesting!

Throughout 2009, we will have a variety of fun and interesting events to commemorate the 10th anniversary of MedDRA. Be sure to check our web site from time to time to see what else is going on.

Thanks for your support of MedDRA.

The MSSO
