

Request for Complex Change Proposals

Dear MedDRA Subscriber:

The MSSO invites you to submit complex changes for MedDRA Version 13.0, which will be released on 1 March 2010. Complex changes deal with changes or additions to the High Level Term (HLT), High Level Group Term (HLGT), and System Organ Class (SOC) levels of the terminology. All submissions must be entered via WebCR (<https://mssotools.com/webcr/>) or to MSSORequest@ngc.com using the Subscriber change request form no later than **15 May 2009**.

All proposed complex changes will be compiled and posted on the MSSO Web site for your comments by the end of May 2009.

Thank you for your continued support.

MedDRA MSSO
