

Certified MedDRA Coder: Examination Preparation Webinar

Dear MedDRA Coder:

Are you thinking about taking the Certified MedDRA Coder (CMC) Examination? Increase your chances of passing the examination by participating in this one hour examination preparation webinar.

The webinar is designed for experienced MedDRA coders who are planning to take the CMC Examination and will include the following topics:

- Purpose, format, and content of the examination
- Registration
- How to prepare for the examination
- How to take the examination
- Demonstration of how to answer sample questions
- Applying key coding approaches

Two webinar sessions have been scheduled on 4 February 2010. To register, please click on the appropriate link:

[Session 1: 9:00 – 10:00AM US Eastern Standard Time](#)

[Session 2: 1:00 – 2:00PM US Eastern Standard Time](#)

The fee for the Certified MedDRA Coder (CMC) Examination Preparation webinar is \$100 USD

[The CMC Examination is a service of Northrop Grumman Information Systems]

Thank you,
