**Registration deadline: 22 February 2010,
Registrations accepted on a first come first serve basis.

The objectives of the User Group meeting are to:

- Achieve effective two-way communication concerning the use of MedDRA
- Provide a forum for the exchange of best practices and lessons learned
- Provide feedback on the quality and effectiveness of MSSO services
- Identify new services which might be necessary or helpful to subscribers

Topics: In order to have a successful User Group Meeting, we need your input on discussion topics. Please let us know which topic(s) you would like to see presented by including comments on your registration form or sending us an email at mssohelp@ngc.com. Due to time constraints, we may not be able to address all suggested topics.

Thank you for your continued support and interest!
