

MedDRA Web-Based Browser Available Soon

Dear MedDRA User,

The MSSO is pleased to announce that the MedDRA Web-Based Browser will be available to MedDRA users on 12 January 2010. The MedDRA Web-Based Browser will enable you to view and search MedDRA terms as well as Standardised MedDRA Queries (SMQs). The user can choose any version of MedDRA in English, the available EU languages, and Chinese (if subscribed).

The MSSO points of contact for your organization will receive an email shortly that will provide the information to access this new tool. Also, there are three one-hour webinars scheduled (no registration required) that will provide an overview of the functions of the MedDRA Web-Based Browser. The dates and access information are as follows:

18 January 2010 – 10AM (US Eastern Standard Time, 16h00 CET)
