

## Reminder to All MedDRA Subscribers:

### Deadline for Submitting the SMQ Survey is Approaching

The original notification (below), which was distributed on 15 January 2010, introduced the 2010 SMQ Survey to Subscribers. Please distribute this message to all individuals in your organization who use MedDRA SMQs, to ensure that as many users as possible have an opportunity to complete the Survey. The MSSO will accept survey input until 16 April 2010.

Again, we are grateful for your participation and input. Your responses will help the MSSO to address the collective needs of MedDRA Subscribers.

Sincerely,

MedDRA MSSO

Dear MedDRA Subscriber:

The MSSO and MedDRA Management Board need your help to understand the ways that Standardised MedDRA Queries (SMQs) are being used – or not used. *Even if your organization does not currently use SMQs*, we would be interested in knowing why. We would also like to know if specific SMQs or types of SMQs are particularly challenging to use.

We encourage you to complete the [survey](#) online. If you prefer to email your responses, you may download the survey from the [MSSO Web page](#) and email it to MSSO Help Desk ([mssohelp@ngc.com](mailto:mssohelp@ngc.com)). All survey responses must be received by the MSSO by **Friday 16 April 2010**.

As an incentive to respond to the survey, the MSSO will give away a gift – pop-up business card holder, digital photo keychain, or wireless mouse – to three randomly selected survey responders. To be eligible for the gift, you must provide your email address.

As always, your active participation in the development of MedDRA and SMQs is an important component of the success of this terminology. The MSSO thanks you for your support.

Sincerely,

MedDRA MSSO
