

New MedDRA Webinar and MedDRA Training Schedule May – June 2010

Dear MedDRA User:

To provide the best tools and information to facilitate your use of MedDRA, the MSSO is constantly reviewing your feedback. Based on this feedback, the MSSO is excited to present its latest webinar course, ***Medication Error and Product Quality Issue Concepts in MedDRA***.

This webinar will provide users with an understanding of the scope and specificity of product quality issue and medication error terms in MedDRA and an approach to coding and analysis of these concepts.

The first session of this webinar will be presented on 19 May 2010. You may register for this session via the link below:
