

MedDRA Training Schedule October - December 2010

Dear MedDRA User:

Would you like to improve your MedDRA coding skills? Would you like to learn how to apply MedDRA in the analysis of clinical data?

The MSSO's team of MedDRA experts can provide you the answers you are seeking, as demonstrated below by recent MSSO MedDRA trainees:

“Great Course! The instructor was excellent. Would recommend that this course be taught at our institution for all PMs, DMs, and Biostatisticians”

“Great instructor input and guidance (in combination with self practice work) made for a very practical course. Very thorough course - thank you.”

Join the ranks of those who have gained MedDRA knowledge on these topics, and more, by participating in MSSO webinars and training sessions. See below for details and to register.
