

## Updated “Points to Consider” Documents Based on MedDRA Version 13.0 Are Now Available

Dear MedDRA User:

On behalf of the ICH M1 “Points to Consider” Working Group, the MSSO is happy to announce the posting of updated versions of both the “MedDRA Term Selection: Points to Consider” and the “Data Retrieval and Presentation: Points to Consider” documents. Examples in both updated documents reflect changes based on MedDRA Version 13.0. Other edits may have also been applied.

The updated documents can be found at  
[http://meddramssso.com/subscriber\\_library\\_ptc.asp](http://meddramssso.com/subscriber_library_ptc.asp)

As always, the MSSO welcomes your feedback on both “Points to Consider” documents. Please submit your comments to [mssohelp@ngc.com](mailto:mssohelp@ngc.com).

Thank you for your continued support.
