

## MedDRA Training Schedule April - September 2011

Dear MedDRA User:

Whether you are a seasoned MedDRA user, or just starting, the MSSO training staff has what it takes to provide you with MedDRA basics or detailed in-depth knowledge for practical application of coding and data analysis tasks. Here are a few comments recently made by MSSO MedDRA training attendees:

- “Very enjoyable. I have learned a lot I can take back to my organization.”
- “I picked up lots of great ideas to enhance my current knowledge.”
- “Great introduction to this topic - time well spent!”
- “Difficult material but was provided in an understandable manner.”
- “Instructor had expert knowledge in this area and it is great to talk to an expert about complex issues.”

Take advantage of the MSSO’s training staff’s knowledge by attending one of our upcoming sessions. Open enrollment webinars, free subscriber webinars, and face-to-face sessions are scheduled.

Does your organization have several individuals who could benefit from MedDRA training? [Onsite training](#) is definitely an option worth considering when travel costs and out-of-office time are at issue. If onsite training by the [MSSO’s MedDRA experts](#), is an option your organization wishes to consider, please contact the [MSSO Help Desk](#).

We are pleased to announce the newly posted MedDRA free training in Shanghai China (中国上海), Boston, MA US, and Kenilworth, NJ US.
