

Basic MedDRA Subscribers Are Now Eligible to Submit Change Requests

Dear MedDRA Users:

Effective 1 January 2011, the MSSO is delighted to inform you that all Basic MedDRA subscribers are now eligible to submit change requests. Submitting change requests allows you to request modifications to the MedDRA terminology such as adding new terms or moving existing terms within the hierarchy.

Please refer to the [change request section](#) of the MSSO Web site for information on how to submit change requests. All change request submissions require your organization's User ID and Change Request ID (CRID). The MSSO Help Desk has recently sent to your organization's main and alternate contacts an email containing your organization's User ID and CRID. Please contact the MSSO Help Desk at mssohelp@ngc.com if you have any questions.

Thank you very much for your continued support of MedDRA.

Best regards,

MedDRA MSSO
