

## Reminder - MedDRA Web-Based Browser Survey

Dear MedDRA User:

This is a reminder that the MSSO is conducting a survey to get your feedback on the MedDRA Web-Based Browser (WBB). We would like to receive feedback on this tool, even if you use the WBB infrequently or not at all.

We encourage all MedDRA users to complete an online [survey](#) about the WBB. If you prefer to email your responses, you may download the survey from the [MSSO Web site](#) and email it to the MSSO Help Desk ([mssohelp@ngc.com](mailto:mssohelp@ngc.com)). All survey responses must be received **by Friday 4 April 2011**.

As an incentive to respond to the survey, the MSSO will give away an MSSO computer bag to three randomly selected survey responders. To be eligible for a gift, you must provide your email address during the course of the survey.

Your active participation in the development of MedDRA and related tools is an important component of the success of MedDRA. The MSSO thanks you for your support.

Sincerely,

MedDRA MSSO
