

Request for MedDRA Complex Change Proposals

Dear MedDRA User:

The MSSO invites you to submit proposals for complex changes for MedDRA Version 15.0, which will be released on 1 March 2012. Complex changes are changes or additions to the High Level Term (HLT), High Level Group Term (HLGT), and System Organ Class (SOC) levels of MedDRA. Please provide proposals via [WebCR](#) or email to MSSORequest@mssotools.com using the [change request form](#) no later than **20 June 2011**.

All proposed complex changes will be compiled and posted on the MSSO Web site for general user comments beginning July 2011.

Thank you for your continued support.
