

**MedDRA® MSSO International User Group Meeting
Rome Italy – 4 March 2003**

The agenda for the meeting was as follows:

1. Welcome Comments
2. MSSO Overview

I. Welcome Comments, Elizabeth d’Alelio, Manager of MSSO Customer Operations

II. MSSO Overview, Jim Mundell, Director of MSSO

Mr. Jim Mundell presented for the main part of the meeting. The agenda was reviewed and the alteration of the agenda was presented. Sabine Brosch was scheduled to speak at the meeting however due to a scheduling mix up she would not arrive in time for the meeting. It was suggested that if any User was interested in a Regulatory Update that they go to the EMEA presentation which was in Track 8 Session 11. Two break out sessions would be offered today, MSSO/CIOMS, MedDRA data analysis and Scope of MedDRA and open topics.

Mr. Mundell gave a brief MedDRA Update and discussed the following issues:

- MedDRA 6.0 Highlights
- MedDRA 6.1 a look ahead
- MedDRA Data Analysis- CIOMS/MSSO
- EMEA special license
- Translations
- Blue Ribbon Panels.

Mr. Mundell concluded his presentation with the following “Do You Know”

- SIN/PIN access to Core Area
- Documents on MedDRA CD’s
- MedDRA Messenger published quarterly
- Comments welcomed through web, User group meetings and emails
- Change requests are done by 20-40 companies.

The main portion of the meeting was concluded with a reminder that the presentations would be posted on the web for download. A networking break for 30 minutes was taken as preparations for the breakout sessions were conducted.
